Replacing batteries / Remplacement de la pile

- Carefully install batteries, insuring proper polarity.
- For best performance, do not mix new and old batteries.
- Please be sure to securely attach the light to your bicycle.
- Do not shine this light directly into eyes.

For UK Consumers
- Do not use in flashing mode on public roads, when directly attached to a bicycle, as this is a violation of highway regulations.
- When used for cycling this light should be used in conjunction with a British Standard 6102/3 cycle light.
